

Permaculture

What is it and why is it relevant to your life ?

'**Permaculture**' is cropping up all over the place at the moment from Gardeners Question Time to BBC's Dig programmes.

At its core it is about living lightly on the planet, and making sure that we can sustain human activities for many generations to come, in harmony with nature.

Want to find out more ? We will have a speaker & a short film at our next monthly meeting.
